

AVIVA takes pride in nurturing a culture where...

We are one community...

...that is encouraging and supportive. We are committed to the wellbeing of all and treat everyone like family.

We pursue excellence...

...through continuous improvement and effective, efficient execution.

We do the right thing...

...by respectfully keeping our promises and serving as good stewards of our resources. Honesty and integrity are our guiding principles.

We create meaningful interactions...

...with a personalized approach while promoting a sense of belonging.

We provide person-centered care...

...through strong individual advocacy, sensitivity, and honoring diversity.

We all lead...

... by Jewish values, every day.
